Terms and Conditions

Credit policy

Guernsey Post operates a clear credit policy, with every customer receiving a monthly statement that must be settled within 30 days. To ensure we meet the costs of running our credit facilities, we have to apply a 'volume threshold' in some areas, with a minimum postal spend of £1,000 per month for our Postage Paid Impression (PPI) facilities.

Without a credit account, Guernsey Post can provide business services only with advance payment. For those businesses which take advantage of our credit facilities, every legal entity is regarded as a separate customer.

Invoicing and payment

Guernsey Post operates monthly payment terms as standard. Customers are allowed to pay within one calendar month of the statement date (or as otherwise agreed in writing with Guernsey Post), providing they remain within their credit limits. Any balance that goes beyond the agreed credit limit must be paid immediately.

Guernsey Post is unable to issue payment terms that deviate from its declared policy and cannot enter into informal arrangements with customers. Any overdue amounts will be subject to interest at 6% above the Bank of England base rate until paid in full.

Credit limits

The limits for our business services reflect the individual needs and abilities of our customers. The determining factors include their trading history with Guernsey Post; trading references; reports from credit referencing agencies; general trading history; and, in some cases, the trading history of their officers and directors.

The minimum requirement for a credit limit in excess of £1,000 is a satisfactory bank reference. Guernsey Post reserves the right to insist on a bank guarantee or Merchant's Deposit for limits in excess of £1,000. Limits are reviewed periodically on request and also when applying for additional products and services.

Privacy Promise

Please be assured that we will treat your personal information with the utmost care and will never sell it to other companies or use it other than as stated in our privacy promise. The personal information you provide us is used primarily to deal with your enquiries or provide the service and products you request. You can find further details of our privacy promise at www.guernseypost.com/privacy-promise.
